At Adapt Integrated Health Care, there is no wrong door to care. Whether you're seeking medical care, mental health care, or substance use treatment, our providers and staff work together to meet your health care needs. We welcome new patients of all ages— children, teens, adults, and seniors.

As a patient of Adapt Integrated Health Care, you and your provider will work with other health professionals to coordinate your care. This is called your health care team. The most important person on your team is you. When you have concerns about your health, your health care team will help you get the services you need, when you need them.

Your health care team will keep a complete record of your medical history, health status, medications, test results, self-care information, and care received from other doctors. By getting to know you, your team can help you understand your healthcare needs and provide you with the information you need to manage your health.

To get started, just call or drop by our office to schedule your new patient appointment. In the following pages is information to help you prepare for new patient appointments for medical care, mental health care or substance use treatment. Our staff will help you complete new patient paperwork and discuss payment or insurance billing options. If you'd like to speed up your first visit? Fill out your new patient packet ahead of time. You may print forms at home or request a packet be sent to you in the mail. We will provide you with a self-addressed, stamped return envelope.

Thank you for choosing Adapt Integrated Health Care as your health care home.

Sincerely,

Your Adapt Integrated Health Care Team

Consent for Behavioral Health Services

I consent to receiving behavioral health services as may be appropriate to assist with my medical treatment including, but not limited to assessment of and treatment for mental health conditions and/ or substance misuse.

Release of Information

I acknowledge that Adapt's Notice of Privacy Practices was provided to me and any use or release of information not permitted under law will require my authorization to release information. I authorize Adapt to release to my insurance carrier(s) by mail, fax, electronically, or verbally, any information needed to determine benefits payable and to bill for services provided. Paperwork for short-term disability or FMLA/OFLA by an Adapt provider may be completed and will be subject to a \$25 administrative fee. The reason for this policy is to avoid having the performance of administrative functions interfere with patient care.

I understand that I am responsible for any deductibles, co-pays, coinsurance, non-covered services or services deemed "not medically necessary" by my insurance company. Co-pays and coinsurance will be collected at the time of service. I may also choose to not bill my insurance for a specific visit, and I will then be responsible for the full cost of undiscounted services provided to me at that visit. I understand if my check is returned for non-sufficient funds (NSF) or written on a closed account, I will be responsible for a \$25 processing fee. I understand that if I do not make my scheduled payments and/ or do not make payment arrangements Adapt's billing department, my account may be assigned to a third-party collection agency.

Assignment of Insurance Benefits

I understand that this serves as a direct assignment of my medical benefits from Medicare, Medicaid, other government carrier, or any commercial/ private insurance carrier, to be paid to Adapt. If I receive payments directly from my insurance company, I agree to bring them to Adapt for payment on my account.

Laboratory Information:

- In-clinic tests are courtesy billed to insurance companies by Adapt
- Samples collected and sent to outside labs will be billed by the performing laboratory. Some locations have Mercy and Cordant available on-site for patient convenience but are not part of Adapt.

Referrals
