

Adapt has changed its consent process.

You now have the option of signing a single consent.

SINGLE CONSENT

Allows us to communicate with your healthcare provider.

NO SINGLE CONSENT

We are unable to communicate with your other healthcare providers without a signed release of information.

SINGLE CONSENT

Allows us to communicate with your insurance.

NO SINGLE CONSENT

We are unable to communicate with your insurance without a signed release of information.

SINGLE CONSENT

Allows us to communicate with your other healthcare services.

NO SINGLE CONSENT

We are unable to communicate with your other healthcare services without a signed release of information.

SINGLE CONSENT

Allows us to communicate with the hospital.

NO SINGLE CONSENT

We are unable to communicate with the hospital without a signed release of information; with the exception of a bona fide emergency.

Changes with SUD Privacy Laws now allow for a single consent for treatment, payment, and healthcare operations. Ask our front desk staff for more information.
